Victoria Level 1

We have had quite a bit of interest in Victoria for the Geelong level 1 course in February. If you would like to join us your area co-ordinator is Michele Bryant and you can contact Michele by phone 02 6077 4352 or email briggsbryantkidscla@bigpond.com

You can also [download an application form](#) and send it in directly.

Remember Level 1 is open to all horse owners as well as therapists and would make a great Christmas present for that special horse person in your life.

Expressions of interest for Wingham, NSW.

We are currently seeking expressions of interest for a level 1 horse course to be held in the Wingham area of NSW 21st and 22nd April 2012.

In the past we have had many requests for a horse course in NSW and we now have a co-ordinator prepared to take on the task of organising things for us.

This is not a small job and we thank Craig Harrison for his interest, time and the hard work that is required to bring a course together. You can contact Craig by

telephone (02) 6553 5234 or mobile 0432 558 437.

Alternatively please drop us an email to register your interest and we will send you out all the details.

We are often asked when we are going to hold training courses in other areas of Australia and the answer is quite simple.

If you would like us to come to your area, if you have or know of a suitable venue and you would like to co-ordinate a course, please contact us and we will be happy to talk over the details with you.

UNITED KINGDOM OCTOBER

We have enjoyed another fantastic trip over to England in October. It was great to welcome all the new people as well as see every body back to complete Level 2 training and the feedback we have had since we returned has been excellent. The English are most definitely animal lovers and the therapist's are very dedicated in their work. The case studies that have been sent in since our return are of a very high standard and are a reflection of the dedication that is ever present in the people. Thank you for allowing us to share our passion with you and we will look forward to seeing you all again in 2012.

A special thanks here to Jane and family at Judd Wood Farm for hosting us again. It is a real pleasure to use your venue and your hospitality is much appreciated. Thank you also to Martine and Paul. We have so much enjoyed your help, friendship and laughter and we look forward to catching up again next year. We also thank the girls who willingly allow their horses to participate and then take the time to give us valuable feedback. Your words are of great value to the people just learning the technique.

Valiants Equestrian Centre, Preston, England.

Thank you Doreen, Sandy and Steven for welcoming us back again. Great facility, great food and great company. You have done much more than open you venue and your home to us, you have opened your hearts. Thank you so much. Doreen, we hope you are doing well and feeling great by now.

Level 1 and 2 Exeter, Devon, England.

Exeter found us at a new venue this time around. We were hosted by Debbie and Paul at Spreyton Equestrian Centre and we thank them for the use of their venue and for their great hospitality over the two days.

Thank you also to Jacky and Joyce from Oaklands Riding School for supplying the extra horses for us and to Jasmine and Nicola for staying on and helping us throughout the day.

Your feedback on what you saw happening with your own horses was very much appreciated and valuable information for our participants.

In all of this I have neglected to thank one very important person.

Andy Eckley, our UK co-ordinator.

Thank you Andy for your constant good humour and many hours of hard work.

Without you, we would not be there.

Queensland Level 1

Closer to home, we have just completed a Level 1 course at Glenelg Equestrian Centre. A great weekend and thank you all for joining us. We look forward to receiving you case studies and hearing of your progress.

Thank you again to Keith for having us back and to Georgina for her tireless help and organisation. Also Kelsey, thank you for your hard work and for joining in and being part of the group.

For those that unfortunately could not make this course, we will run a level 1 alongside the level 2 in January. (We understand that it is close to Christmas, but what a great Christmas gift for somebody. Please [email us](#) if you wish to apply or you can [download an application form](#). This will be the last Level 1 course in Queensland until late 2012.

Remember, the keys to your horses comfort, flexibility and performance are in your hands. ©

Level 1, Glenelg Equestrian Centre, 5th/6th November, Qld.

Barefoot, Body, Balance .

For those who are intending to complete their full practitioners certificate, Peter Laidely has again agreed to hold a hoof day.

We will run this day after the Level 2 course (Monday the 30th January), and there is a downloadable [application form](#) on the website if you would like to join us.

These are very informative days and will deepen your insight into the connection between the hoof and the muscles.

Your investment for the day is a very reasonable \$160.00 per person. This day is open to all interested persons so if you know of someone who would like to attend, please pass the details on.

Thank you all for joining us and we trust that you enjoyed sharing our news. Remember we love to hear from you too so please drop into the [website](#) or at [Facebook](#) and leave us a comment. If you prefer to contact us privately, please feel free to [email us](#) instead. We read each and every comment and email and love to hear your feedback so please don't be a stranger!

Wishing you a safe and happy Christmas and all the very best for 2012.
